

Sabrina Shisler

Certified to Teach
Chemistry (DC) and Psychology (CE)

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.” – Albert Einstein

Sabrina Shisler
Email: shislrs@gmail.com

OBJECTIVE

To provide students with academic mastery of standards-based content, study and organization skills and character development as implemented in a caring community of learners. I am also interested in coaching tennis in order to build relationships with students, foster a love for sports, and instruct athletes on proper sportsmanship.

TEACHING EXPERIENCE

Davison High School: August 2008 – Present
Davison High School, Davison, MI

- * Educates students in general chemistry and Advanced Placement chemistry
- * Establishes relationships with students to create a caring classroom environment
- * Accommodates lessons based upon embedded assessments that express inadequate student understanding
- * Creates and paces a variety of activities to maintain student interest and attention
- * Plans lessons that incorporate original activities or slightly altered activities created by other educators
- * Incorporates demonstrations and laboratories that provide visuals for abstract concepts
- * Prepares students for the AP exam and/or college-level science courses

Internship Year: August 2007 – April 2008

Northview High School, Grand Rapids, MI

- * Educated students in general chemistry and honors chemistry
- * Synthesized unit plans based upon the Michigan high school benchmarks for chemistry
- * Analyzed the level of information taught in honors chemistry versus general chemistry
- * Fostered good organization and communication skills in students
- * Designed inquiry and application activity cycles that focused on the Michigan standards for science education
- * Observed and responded flexibly to differences in student temperament and attentiveness over the course of the year
- * Experienced and helped to mediate the effects of a staff member's death on students and faculty

Senior Placement: October 2006 – April 2007

Williamston High School, Williamston, MI

- * Observed and conducted a range of classes in a 9th grade physical science classroom
- * Evaluated the depth of information covered in chemistry and physics
- * Created lessons that focused on teaching the Michigan benchmarks for physical science

PROFESSIONAL WORK EXPERIENCE

Assistant Coach: March 2009 - Present

Davison High School JV Girls Tennis Team, Davison, MI

- * Coaches players on proper practices and techniques
- * Contributes to the development of fair line-ups with effective partnerships
- * Teaches inexperienced players the rules and proper etiquette of the sport

Assistant Coach: September 2007 – October 2007

Crossroads Middle School Tennis Team, Grand Rapids, MI

- * Dealt with issues that arose on the co-ed middle school team
- * Assisted with communication to parents

President of Club Tennis: May 2005 – May 2006

Michigan State Women's Club Tennis President

- * Scheduled matches, lessons, and meetings
- * Employed organization skills
- * Communicated match line-ups and managed team grievances
